Outline planning application for a residential development of up to 132 dwellings with all matters reserved.

ADDITIONAL INFORMATION

39 additional letters of objection received. Additional issues raised are as follows:

- No Health Impact Assessment submitted with the application in accordance with HW2 of the Local Plan.

(CPO comment: The Council is satisfied that because the application is in outline a detailed assessment could be provided at the reserved matters stage when factors such as housing design, green space and public realm are known.

A further consultation response from KCC (Growth, Communities and Environment requesting a financial contribution to be secured through s106 towards the expansion of secondary schools within the Folkestone and Hythe District.
