4. **Biggins Wood - Update on progress with remediation contract and site disposals (Pages 3 - 4)**

The report provides an update to Members regarding the current position of the Biggins Wood site. Following the last Cabinet report in November 2021 (C/21/51) the report updates on the progress of the remediation contract and the sale of the commercial and housing land as previously agreed. The purchaser of the residential land has withdrawn their offer for the site. The commercial developer has made an offer for the whole site (i.e. both elements of commercial and residential land) and a further offer has been received by the council from a different organisation for the residential element of the site only.

Please note, parts of this report are confidential and have been redacted.
