### Additional Item:

### Extension of existing loading bay and changing hours of operation

#### Sandgate High Street

A request to extend the existing loading bay outside 90-88a and extend the current end time of 6pm to 10pm. This will help with the increase of delivery drivers using the bay and prevent overspill into parking bays and pedestrian crossing zig-zags. Please note, this request was agreed by the previous Cabinet Member for Transport but earlier in the year but as not yet commenced it deemed best to include as a JTB item.

Existing layout.
