Expected Standards

There are 4 licensing objectives of equal importance:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

It is our legal obligation to ensure that we prevent crime and disorder and public nuisance on our premises and as people are leaving our premises. As a business we value our reputation, want to have good relationships with our neighbours, care for our clients, want to work in partnership with the statutory authorities and are committed to trading within the law while maintaining the highest possible ethical standards in all our business activities.

We expect all of our team to work with us to commit to running a venue that is orderly, peaceful and free from crime, disorder and nuisance. This policy is intended to guide you through the process. This policy should be implemented in conjunction with all other policies.

Staff procedure and responsibilities;

The following steps should be taken to disperse customers:

- As soon as last orders are called;
 - a staff member should visit each group or individual in the premises advising them in a friendly manner that the premises are now closed, thank them for their custom and advise them that they should start to drink up.
 - music levels should be slowly reduced to a minimum and low volume calming relaxing music put on
 - Lighting levels will be slowly increased
 - Staffing levels at service points may be reduced and staff redirected to other duties such as customer dispersal, glass collection and monitoring outside spaces
 - Empty glasses should be collected from each table
 - Windows and entrance doors should be kept closed to ensure neighbours are not disturbed.
- Floor staff and door staff should be tasked with remaining both inside and outside the premises and ask customers who are leaving to do so:
 - Quietly
 - With no open drinks
 - And to move away from the premises as quickly and orderly as possible
- A limited period of 'drinking-up' time will assist with the gradual dispersal of all customers at the end of the evening. In England and Wales there is no statutory drinking up time but our internal policy is 30 minutes after last orders.

- Appropriate signage is placed at all exit doors asking customers to respect our neighbours/leave quietly if this is damaged or missing this must be reported to a supervisor or manager.
- Appropriate signage is placed at side doors reminding customers not to take any drinks/glasses/bottles out of the premises after 10pm. If this is damaged or missing this must be reported to a supervisor or manager.
- There should be visible management and staff presence in the customer areas during closing time to ensure all customers leave quietly, orderly, and quickly.
- We can provide appropriate information to customers who require a taxi our preferred supplier is JJ's Taxi. All staff will know the locations of the nearest Taxi Rank on Tontine Street.
