Dear Sir/Madam,

I am writing in respect of the application made by Mr Ross Gandon relating to the premises at 61 Tontine Street, Folkestone, Kent, CT20 1JR.

I am a resident of a nearby flat, and would not be happy if this extension to Mr Gandon's opening hours was approved as stated in his application.

Despite being a few doors down, we can clearly hear if/when there is live music at the venue, and this can cause disturbed sleep. This is not so bad at present, as we can be assured that the noise will stop at a relatively reasonable hour. These new proposed hours could mean having our sleep disturbed for a further 2-3 hours, especially at weekends.

This venue is in a highly populated residential area, with young children and shift workers alike living nearby.

I ask that you consider these factors when reviewing Mr Gandon's application.

Yours Sincerely,

Hannah Goff
