Café benches

We are looking to add another bench for our café

DECISION:

To provide funding of £300 to the above project.

Reason for decision:

The local RNLI at Littlestone-on-Sea provides life saving emergency services in the area. It has been a particularly busy time for the volunteers in recent years due to the ongoing influx of asylum seekers.

The charity is a literal lifeline for many people who encounter difficulties in the English Channel. The new bench will help the charity's fundraising by providing a place to sit for visitors to the charity's café which is adjacent to

the Lifeboat Station
