**Reason for decision:**

We have been running the Loft for 4 years in this location and the need keeps increasing each year, as there are no other 17-25 years old project in our region.  
We work closely with local councillors on district town and County councils.  
We work closely with the local kcc warden Neil to identify young adults who need help in our local community.  
The local young adults have said they still need this support in the area, and we feel this is the best support they can get.
