73. **22/0122/CM - Land opposite 2 Hoad Cottage, Hoad Road, Swingfield**

Breach of Planning Control: Mixed use of land for residential use, holiday/tourism use, (including the keeping of alpacas and other animals) and car accessories business; the installation and siting of various structures, equipment and paraphernalia associated with those uses, including containers, solar panels, a prison van for use as a chicken house, alpaca shelter, hot tub, diesel tank and play equipment; the erection of timber fencing and gates; and the laying of hardsurfacing.

The CIL and Enforcement Team Leader updated the committee by informing that officers had received a planning application on Monday for a retrospective application for camping and alpaca site. This appears to be invalid due to the lack of information with no clear structure or residential siting.

The planning merits on the site have been assessed in the officers report and therefore uses should not change.

Proposed by Councillor David Monk  
Seconded by Councillor Jim Martin and

**Resolved: That an enforcement notice be issued requiring the use of the land for residential and tourism uses to cease and the removal of all associated buildings, structures and paraphernalia including solar panels, diesel tank and hot tub within 12 months of the notice taking effect and that the Chief Planning Officer and the Assistant Director - Governance, Law & Regulatory Services be authorised to prepare and serve the necessary documentation, including the precise wording thereof to give effect to this decision, and to take such steps as are necessary including legal proceedings to secure compliance with the Notice.**
