# Projected MTFP/Budget Gap ?

# PBB: Priority-based budgeting

Seeks to ensure that budgets are set to ensure that a service area is resourced to deliver its priority areas, with any budget savings being made in areas that are considered lower priority. The core concepts are to -

- Prioritise services
- Eliminate unnecessary spending
- Question and challenge ongoing expenditures
- Budget within the Council means
- Understand the Council's commitments/expenditures
- Be transparent about community priorities
- Be accountable
- **Is it Discretionary or Statutory service?**

# The Star Chamber – Budget Meetings

- Star Chamber is an informal Cabinet member meeting supported by senior officers - met on the 3<sup>rd</sup> and 4<sup>th</sup> of October 2023.
- Its purpose is to challenge existing service provisions, budgets and spending plans with the aim of achieving better value for money and diverting resources into council priorities and away from non-priority areas.
- It also provides the framework and focus for achieving the financial savings targets included in the Medium-Term Financial Strategy.
- The October meeting considered financial, physical assets and human resource implications.
