Description	The money will be spent on equipment to enable the young people to work on enterprise projects and enable the young people to develop skills.
Decision	Approved
Amount Awarded	£500.0

Decision Reason:

I have been impressed by the way the Youth Club is providing a meeting place and purposeful activities for young people. There have been complaints that there is 'nothing for young people to do in the evenings' in Hawkinge. Purchasing new equipment will enable the Youth Club to extend and develop its activities
