

Appendix III

Photographs of golden plovers near to the airport

All photos were taken by Bob Gomes on 10 November 2010 at 1447 hour.

The photos were taken at Jacks Court Farm access track Grid Ref: TR055214

The photos were taken using a Nikon D300 camera with VR 70 – 200 mm F 2.8G lens. The two photos were taken at 130mm and 145 mm zoom range.

Page two of this appendix shows where the photos were taken from, looking due east.
